

November 20, 2018

Synergy Solutions, Inc. (Synergy) is pleased to announce it was awarded two 2018 ACQ5 awards: US – Niche Business Solutions Provider of the Year (Synergy Solutions, Inc.) and US- Gamechanger of the Year (Thu-Anh L. Nelson, President; Synergy Solutions, Inc.).

For this award period, a record 98,621 nominations were received, and award winners were chosen based on peer evaluations on the nominees' professionalism, experience, value and responsiveness. The ACQ5 Global Awards honor the leading deal teams, firms and professionals whose activities set the standard for their sectors.

"It is a huge honor and validation of our exceptional services to receive these awards based on our peer evaluations. Synergy was purposefully designed to leverage the expertise, astute perspective and collaborative problem-solving skills of our outstanding staff and to be a value-added partner to our Government and commercial customers" Synergy's president and founder Thu-Anh Nelson commented. "This past year we have focused on revitalizing our culture and brand and focusing our capabilities and services, so this recognition of our efforts is much appreciated."

ACQ has been one of the world's leading markets magazine that single out the outstanding institutions and individuals in their sectors for over 15 years. "Experts whose intimate knowledge and expertise in the corporate, cultural, financial and legal arenas are redefining our industry," says Jake Robson, Group Editor of The ACQ5. "The 2018 ACQ5 Global Award winners represent the best of breed in all industry sectors and have earned these honors by standing out in a group of very impressive finalists. We are lucky enough to work with some of the most influential and enterprising private organizations in the world and are proud to share their message with our readers. Relying on reader insight and experience to provide nominations to the panel remains the cornerstone of our program and to identify industry leaders, individuals, teams and organizations that represent the benchmark of achievement and best practice in the business world."
